## Clinical Experience

In fulfillment of READ 599, you work in your own classroom or are matched with a district to complete an observation, practice teaching reading, shadow a literacy coach, practice coaching peers, and meet literacy standards set by the International Literacy Association. This may be completed in person or virtually.

The Literacy Practicum is the final step in the program where teachers apply and practice their literacy knowledge working one-on-one with young readers.

## Initial Teacher Certification

The B-12 Literacy degree is a path to professional certification. Initial teacher certification in a matching area (Early Childhood, Elementary, and/or Secondary) needs to be completed within one semester of acceptance. The only candidates recommended for literacy certification by the School of Education are those who have completed the master's program in its entirety. All others apply for certification through BOCES (NY).

## Admission Requirements

Admission to this degree program is based on:

1. Teaching certificate in matching area (Early Childhood, Elementary, and/or Secondary)
2. Clinical practicum in literacy (50 hours)
